

Achievements

Lifesavers Foundation has tried to make a difference in the field of emergency medicine and procedures. Following is a short detail of the achievements of LSF in the past 6 years.

- Training of over 7500 Doctors, Nurses and Medical students in the field of Advanced Cardiac Life Support (ACLS). The training has been carried out throughout the country.
- Training of doctors for ACLS as a joint venture with PIMA in the whole country at various places.
- Training of Islamabad Police for the Basic Life Support (BLS). Two batches has been certified and rest of the police officers are soon to be certified in the coming months.
- Training of employees of TELENOR and Mobilink at the islamabad main office for the BLS.
- Training of Teachers of National institute of Special Education (NISE). First batch of 50 people have been certified and over 100 teachers are to be certified in the coming weeks.
- Training of doctors at Lahore Medical and Dental College Lahore and ACLS certification has been successfully completed.
- Training of over 50 Doctors and Medical students at Rawalpindi General Hospital and BLS certification.
