

Activities

In line with the aims and objectives of the Lifesavers Foundation, a large number of activities are being planned including

- The third batch of Islamabad police officers will be trained in the summer of 2007 for the basic life support.
- The second batch of teachers of National institute of Special education (NISE) will be trained in the summer of 2007.
- The training of doctors and health providers for Advanced cardiac Life support (ACLS) will continue as per schedule, throughout the year, at the Shifa international, Islamabad. Moreover, ACLS courses will take place at Lahore and other cities of Pakistan for rapid spread of cardiac support among medical professionals and ordinary people.
- Lifesavers Foundation strives forwards to collaborate and join other associations like PANAHA, foundations and institutions on NON-PROFIT basis to carry out BLS and ACLS training. Activities to reach this goal are always in action.
- Training of Doctors and Medical students at District Headquarters Hospital, Rawalpindi for BLS in June 2007.
- Training of Doctors at Holy Family Hospital Rawalpindi for ACLS in June 2007.
- Training of Doctors at Rawalpindi General Hospital Rawalpindi for ACLS in June 2007.
